

MEMORANDUM FOR: THE ACTING DIRECTOR

Attached is a proposed report to the Bureau of the Budget for your signature on an enrolled bill (S. 920) authorizing licensing of aliens as radio operators. You will note from the letter that we have previously commented on this bill. We have checked this again with Commo, Security, and DD/P, and there is no basis for any objection to signature of the bill. Recommend signature.

JOHN S. WARNER  
Legislative Counsel
